

# Celebrating 15 Years of Ministry

For 15 years, Gateway Pregnancy Center and the former Archway Pregnancy Center have been helping some 16,000 women in Elizabeth, Irvington, and the surrounding communities.

The Gospel ministry of Gateway has had the opportunity to share Christ with women who otherwise may never enter a church building.

Services offered by the Gateway ministry include pregnancy testing, boyfriend / husband counseling on responsibility, maternity clothes, infant clothes and supplies, baby furniture, post abortion counseling (individual and group), church, high school, college, radio and television speaking opportunities, Internet counseling, and various contacts with the judicial system. All services are free of charge and strictly confidential. Gateway's services are made possible only through church missions giving and individual gifts and pledges.
